

■ HackWise 2.0

Your Lovable Pro Access Guide

Hope you are doing well and feeling as excited as we are for HackWise 2.0! To make it easy for everyone to get started, we have prepared a discount code that gives all participants **free access to the Lovable Pro Plan 1** for the duration of the event.

◆ What You Get

- **Lovable Pro Plan 1** — 100 credits (a \$25 value) at absolutely no cost.
- **All Pro Plan 1 features** unlocked for the full duration of the plan.
- Monthly plan — you have one month to cancel after activation.

■■ Important Notice

The code must be redeemed **before the end of HackWise 2.0** and should **not be shared** with anyone outside the event. You may be asked to enter payment details — don't worry, you can cancel anytime after activation at no charge.

Your Discount Code

HACKWISE

Enter this at checkout · Valid for the duration of HackWise 2.0

■ How to Redeem — Step by Step

1

Open Lovable

Go to **lovable.dev** in your browser.

2

Sign In or Create an Account

New users: Click **Get started** and create a free account.

Existing users: Log in to your account.

3

Navigate to Plans & Credits

Once logged in, click your avatar or go to **Settings** → **Plans & Credits**.

4

Select Pro Plan 1

Choose **Pro Plan 1 (100 credits)**. Make sure you select the **monthly plan** option.

5

Enter Your Discount Code

At checkout, type in the code **HACKWISE** and apply it. Your total should drop to \$0.

6

Complete Checkout

Finish the checkout. Your Pro Plan 1 features are now active and ready to use!

■ Already Have a Paid Account?

No problem! Simply **create a new workspace** in Lovable and redeem the code **HACKWISE** there. This keeps your existing plan intact while giving you full access to the Pro Plan 1 benefits for HackWise 2.0.

Good luck and have fun building something amazing at **HackWise 2.0!** ■

Warmly,

The HackWise Community Team
